2. Copyright

All content on www.xtremesecurity.eu, www.xs-travelmanagement.com and www.xs-international.com, including photographs, videos, texts, logos, graphics, certificates, award graphics and layout, is protected by copyright under the Swiss Federal Act on Copyright and Related Rights (URG/CopA), the Berne Convention and the copyright laws of all countries where the content is accessed, including the EU and Germany (UrhG). Any copying, reproduction, distribution, publication, modification or other use, in whole or in part, requires our prior written consent. This applies in particular to use on other websites, social media, brochures and advertising.

3. Prohibition of AI use and text and data mining

We expressly reserve all rights to our content against text and data mining and any use by or for artificial intelligence. Without our prior written consent it is not permitted to:

- use our images, videos or texts to train, fine-tune or test AI models;
- edit, alter, combine or regenerate our images or videos with AI tools (including image-to-image, video-to-video and face or voice manipulation);
- create AI-generated content that imitates our content, brands, operatives or business identity;
- collect our content automatically by crawlers, scrapers or bots for these purposes.

This reservation is made in accordance with Art. 4(3) of the EU Directive 2019/790 on copyright in the Digital Single Market and § 44b(3) of the German Copyright Act, and is also declared in machine-readable form on our websites. Under Swiss law, such use without consent is not covered by any statutory exception for commercial purposes.

4. Persons shown in our images and videos

Our images and videos show our operatives, colleagues and partners. Their likeness is additionally protected by their personality rights (Art. 28 Swiss Civil Code; §§ 22, 23 German Art Copyright Act, KUG). Any use of their likeness, including in AI-generated or AI-edited content, is prohibited without their consent.

5. Enforcement

We monitor the use of our content. Infringements are pursued under civil and criminal law, including claims for injunction, removal, information and damages and criminal complaints under Art. 67 URG, Art. 23 of the Swiss Unfair Competition Act (UWG) and § 106 of the German Copyright Act.
